WEDNESDAY, AUGUST 8, 1900 IS THE TROUBLE IN CHINA UNDER \$ 000 t

It is possible toat the powers may not understand the situation pressited in Catne, and it may be possible, even probable, as things appear, that it will require more energy and war force than there is concerved to be necessary at this time. It has an appearance through what has been dune of a disposition to istrace stops muse without due consideration. Intormation comes from those who are there that all the soldiers are upon the ground that will be required to reduce Pakin; but it is learned when an advance is made that the relieving army is attacked On itway to take the sapital city of the empire and a loss of twelve hundred men le cu tained in a few hours in the fire battie, waten does not have an appliar ause that a few thousand men are equal to the work demanded to reduce Pekin.

The work is not processing in a way that make war, ind u hing the prose of the Comess supres as an independent power. The juniousies that prompred the action of some of the pawers have been reduced to a true meaning, when facts existing have been disclosed in their true tight by a chowing made or resistance by the people of Caluar The ruling passion of money gestion. commerce has received a cireck that means much caution in the fator-The mathematics of counting houses will have to be consulted before any positive demonstration will be made that has upon its face the business in war there will be required to reduce the Chinese to a paying proposition, which is all there is in a war with China.

The rectors in business have been arranged for money control in the country, but the product has become Bucertain through the more than use a photiunte methods of the Chinese. Do lars end couts in American money le the consideration there is in the war; but civilization is the topic that has been discursed by capital, while Chinamen were murdering missionaries in Onice. Europe has been intention to reduce it to the enslaving stron, 1 dgs. pow r of money since i.s war with J pin.

The cool es who land on the Paulin coast to do wasning do not represent the brain force there is remaining to the old empire. The before intellect of the country in its more superior men came to light when E trope serven notice of its intention to reduce Chine, the meaning of which is well understood by the more intellectual man. Inthe country. A condition of shavery to money was not desirable to the deliver a finished discourse in his ex-Chinese, and a work was entered upon perionoss while held in captivity in to meet the demands of money upon them by preparing for war.

When a crists was made through en aroachmants made by European powerthe work of beather war was entered spon and the lives of innocent people were taken as a means of defense to future occupation by those who practice the requirements of western cive il zation. The deutions and cowardly methods of capital began to appear in the slowness of the powers to takedion to profest the function people belonging to their jorisdictions. A few soldiers were sent to give character to the scene where morder was dully committed apon the persons of civilized men and women, who have been powerless to arrest the crimes could mided upon those who were defense

The work of the coldiers who have been sent to China has whis fly been to furnish protection for themselves account the numbers brought against them educated in modern war tective and possessed of the means required in modern war. A few thousand men have been brought together to reduce Pekin and relieve the representatives of nations at the Chinese court, who the world has been informed are sufficleas for the work required to reduce the Camese capital and relieve the sit-

ustion upon the ministers. Europe is open to the charge in recent years of expending its force in prepairing the means of war which has carb. made it inceptible of using the means it bus prepaired. The war in the Transveal clearly outlines a state of was preparation in Great Billian much below the standard of that warlike nation, which is largely the true position of Europe as appearances are in Ohine.

Germany, one of the most war-like dad powerful nations, is in a position in the China trouble where its war

Miss Jennie Lachman and Leon Mayer Married Last Evening.

One of Bano's most charming daughere. Mies Jennie Luchman, was wedded last evening to Leon Mayer, a prospering young business men of San Francisco. The caremony was performed according to the ritual of the Hebrew church by Rev. Dr. Priedlander of Oakland.

Toe home of the bride's purents, Mr. and Mrs. D. Lischman, at 213 West street, was tastefully trimmed with smilex and ferms. About thirty guests were present, many of whom came from Ban Francisco. More than two score telegrams of congratulation were Plumbing, F. O. Savage, SIS N. Va. St. | received from absent friends of the contracting parties.

Before the ceremony, which took place promptly at 7 c'clock, the guests were abown the many wifts to the bride. which were costly and possessed the dual merits of beauty and utility.

D. Lauhman performed the ancient ceremony of giving away the bride. The services of bridesmaid and groomsman were dispensed with.

The bride was attired in a gray tailor made gown, and the groom wore the couventional black.

After they had been pronounced man and wife, the wedding supper was at-

Mr. and Mrs. Mayer leave on this morning's train for Southern Califoruls. After two weeks they will be at home to their friends at their residence, corner of Turk and Laguna strests, San Francisco.

THE LOCAL **PROSPECTS**

Brief Items Concerning the Mining Prospects Around This City.

The ledge on Granite Hill owned by Taylor Bros. & Company is showing up nisely in free gold.

Construction of the new smelter building was delayed yesterday by failure of lumber to arrive promptly.

The new assay office on Center street, being erected by the Electric Mining & Reduction Company, is nearing completion.

It is easid that an attempt is being made to revive the Navada Power & Transportation project and supply power to the mines to this vicinity,

All the assayers in town are kept busy now since the intense heat has passed. There are twice the number of prespectors gophering on the bilts hat there were a week ago.

Mr. Pozzi was greatly excited yester- side. day. He is working a claim which has began to produce a rellow stained rock. He thought he had chloride ment. sure until the assay showed it to be

James O'Sullivan, rancher, philosopher and prospector, brought the good news to town yesterday that a considerable body of time horn silver ore had been struck on the north extension of the Rano Star mine.

John Shorman då Etimbeth A politician who was very, near to tor John Sherman in the enimpaids of 1802 says he will never forget the effect that the first kodak picture of himself had upon the senator. Mr. Sherman had been speaking the night before in the Academy of Music, Philadelphia, and the newspaper artists had taken some lifelike snap shots of him in many attitudes. To the poll-tician the senator said, upon looking over the newspapers the following day: Well, well, our time for criticising the newspaper men is over. They have us to rights now. Here I am just as I am, and I'm a caricature of what' I have always thought I was."-Saturday Evening Post.

What He Last. The acreous commuter had one bille ute in which to catch his train. He was hastening exceedingly when the cries of a small boy smote upon his car. "Hey, mister?" shouted the wreith.

"Ter've lost somethin!" The commuter stoped and hadtle counted his buildles. "What have I lost?" he panted, "Why," said the boy, "yer've lost that shine I put on yer shoes yistidy. "I'll give yer snother fur a nickel."-Philadelphia Press. .

Corks Float. "Phwas ivery place covered in Noah's seed, Dinny? "All but th' city of Cork, Larry."-

Chicago News. Remarkable Cure of Rhoumatism.

KENNA, Jackson Co., W. Va. About three years ago my wife had an atack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assistance, her limbs being swoilen to double their normal size. Er B. Maddox insisted on my using Chamber lain's Pain Balm. I purchased a fifty-coal bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has nethed a similar attack since -A B.
